REF: DPW / 008 / 2008 Dated: 13-March – 2008

Cut off time for Container Vessels

In order to streamline our advance vessel planning process, all Shipping Lines and Agents are kindly advised to adhere with the following requirements effective 1st of April 2008.

- 1. Discharge List and BAPLIE file** - To be finalized 12 hours prior to vessel's arrival
- 2. Loading Plan and list for Exports, T/S and empties** - To be finalized 8 hours prior to vessel's arrival. DP World stowage will prepare loading plan and send back to Agent / Vessel's Master which should be finally confirmed 2 hours prior to vessel's arrival.

Note: In case of any Break Bulk and Out of Gauge cargo / containers, the Agents must obtain permission from operations and complete all formalities 24 hours prior to vessel's arrival so that necessary arrangements are made well in advance.

We look forward to your understanding and kind cooperation in submitting and finalizing the above mentioned documents in time enabling us to enhance yard and Vessel operation.
