REF: DPW / 046/ 2009 Dated: 20-DEC – 2009

SAFETY WITHIN JEBEL ALI PORT

Dear Customers,

This serves as a REMINDER reference our previous Circular (DPW/041/2009 Dated 10-Sep-2009), kindly note that effective 1st Jan 2010 it will be compulsory for all port visitors/users to comply and abide with PPE requirements and Terminal Safety Rules.

No person will be allowed to enter the port unless they are wearing a safety vest, safety shoes and a hard hat.

Security checkpoints at Terminal Gates will ensure that everyone; all employees, contractors, third- party truck drivers, ship agent/line reps, ship chandlers, etc. meet the PPE requirements, prior to allowing access to Terminal facilities.

PPE Requirement

- **High Visibility Vest [Safety Vest]**
- **Hard Hat [Safety Helmet]**
- **Safety Shoes**

We also require you to follow the **30km speed limit and use a revolving amber beacon light** within operational areas.

Security guards located at each terminal gate will not let employees, contractors, third party truck drivers, ship agents/line reps, ship chandlers, etc. gain access to any of the Jebel Ali Terminals if the safety rules are not observed.
