

Circular

CT Gate Operation

All Shipping Lines, Agents & Port Users

Dear Customers,

Please be informed that due to our systems maintenance, Container Terminals Gate Operations in Jebel Ali shall suspend for 8 hours on 6th and 7TH of May 2010 as follows:

Operation suspend - 06th May 2010, 2300 hours.

Operation resume - 07th May 2010, 0700 hours.

During the above period none of the DP World systems shall be available including Dubai Trade Portal. Therefore, all customers are kindly requested to complete documentation formalities and container movements well in advance to avoid delays and shut-outs.

We regret any inconvenience caused. The maintenance will result in our systems operating at optimum efficiency for your future transactions.

Note: Vessel Operation will not be interrupted.

We are grateful for your cooperation.

Should you require any further clarification, please feel free to call:
