

موانئ دبي العالمية
DP WORLD

ALL SHIPPING LINES, AGENTS, HAULIERS, TRADERS AND PORT USERS

REF: NA /29 /10 /2007

Equipment Interchange Receipt (EIR)

In our continuous efforts to enhance our processes and provide quality services to our valued customers, DP World wishes to inform all that with immediate effect EIR hard copies will not be dispatched to the customers.

EIR will be generated in a new format (appended) and just one copy will be printed for the Trucker as an acknowledgement for delivery / receipt of containers. The data is stored in the System which is accessible by Shipping Agents through “Container Enquiry” on Dubai Trade Portal.

The “Gate Moves” report is available on the Portal which consists of complete EIR details and can be downloaded on daily or timely basis for the records. However, if an EIR hard copy is occasionally required for any formalities, it can be provided upon request.

We look forward for your continuous support and cooperation to reduce paper work and physical dispatch of documents.

For any clarifications or assistance, please contact our Customer Service Department on 04-8040555 / 570; Email: customerservice@dpworld.com
