INSTALLATION OF NEW WEIGH BRIDGE

In order to meet Operational requirements and provide value added services to our customers, DP World is pleased to announce the installation of a new “Weigh Bridge” in Jebel Ali Port. The new Weigh Bridge is featured with advanced technology to ensure accurate and efficient weighing of containers.

To avoid delays and reduce traffic at Container Terminal Gates, the new weigh bridge is located outside Satellite Documentation Office near Round no. 7 within Jebel Ali Free Zone. All concerned are requested to please approach Satellite Documentation Office – Parking Lot should their containers need to be weighed. The payments and other documentation formalities shall be completed at Satellite Office.

For all export containers coming from town which require weighing prior offloading in Terminal, the haulers are requested to enter Port from Gate no. 7. For such containers all documentation process can be completed at Documentation counters within security office building outside Gate no. 7.

Should you require any further clarifications, please feel free to call our Customer Service Department on 04- 8040555, fax 04- 8816271, Email – customerservice@dpworld.com
