**DHOWS OPERATION AT JEBEL ALI**

In the interest of Safety of the Dhows and to safeguard Human life, with the increased number of Traffic in the channel and approach to Jebel Ali port, it has become essential to restrict the flow of un-piloted country crafts / Dhows arriving at Jebel Ali Port. Hence, with effect from 1<sup>st</sup> of May 2007 Dhows operation will no longer be carried out at Jebel Ali port and therefore these crafts will no longer be granted permission to enter Jebel Ali Port. However, Port Rashid and Hamriya Port will continue to cater for this Traffic in the same manner.

We would like to seek your understanding and cooperation with this safety requirement. All possible assistance will be given to you from DP World.
