SAFETY WITHIN PORT OPERATIONS AREA

In our continuous efforts to provide better service to our valued customers and ensure Safety within DP World – at Jebel Ali and Port Rashid, we request all to comply with the following requirements:

- ❖ Safety Rails to be installed on board when hatch covers are opened during Vessel Operation.
- ❖ Vessel Crew and visitors should not walk around quay side or any other Operational areas within the Container and General Cargo Terminals. If people desire to leave / enter terminals then please use Shuttle bus to / from CT and GC Gates.
- ❖ All People entering / leaving Cargo and Container Terminals should produce valid Gate Pass or other identification documents (only for Ships' crew) and pass through proper security checks at Gates.
- ❖ The Crew members and all other visitors should wear high visible safety vests and hard helmets whilst on the quay side.

Above precautionary measures are taken in the interest of people's safety and prevent risks of accidents on board or quay side. Henceforth all are requested to please follow the instructions above and circulate this information to all vessels calling Jebel Ali and Port Rashid.
