Inbound Parking Lots at Jebel Ali Port Gates number 2, 3 and 7

It is observed that the Parking lots located outside Jebel Ali Port gates number 2, 3 and 7 are being used as public parking area by the truckers. They leave their trucks and trailers when idle, which occupy most of the parking space whereas these parking lots are designated only for the trucks coming for business with Port.

Therefore, in order to ensure appropriate usage of the parking facility, it is decided that with effect from 1st of January 2008, any truck entering to any of the parking lots outside gates number 2, 3 and 7 will be allowed 45 minutes free time from entry. Thereafter, Dhs. 5/- per hour or part thereof per vehicle will be charged.

In the view of above we kindly request all hauler companies and truck owners to utilize the above said parking facilities only as and when required for business with Jebel Ali Port. We look forward to your kind cooperation enabling us to provide excellence services to our valued customers.
