**PORT RASHID OPERATIONS SHIFT TO JEBEL ALI**

In response to customer demand, and to ensure we continue to provide you with the most efficient services today and into the future, we are moving all our general and non-containerised cargo handling operations from Port Rashid to our flagship terminal at Jebel Ali, where we can offer state of the art facilities and services second to none.

We hope to complete the move by the end of March and we will work with you and our business partners over coming weeks and months to ensure there is a smooth transition to Jebel Ali.

Cruise ships and ferries will continue to use Port Rashid as they do currently. There is no change to these operations.

I would like to take this opportunity to thank you for your support. We will continue to work hard to earn your business.

Yours sincerely  
Mohammed Al Muallem
