**New Slip Road Connecting Jebel Ali Container Terminal 2 to Sheikh Zayed Road  
and Emirates Road**

DP World has announced the launch of Jebel Ali Container Terminal 2 Phase 1 in August 2007. The new terminal has marked a new era for DP World, and has proved the commitment of the DP World to constantly improve its services to its customers through continues improvement of the port infrastructure and equipment.

DP World is pleased to advice the opening of a new slip road connecting street 511 outside gate 2 to E77 (Emirates Road) and Sheikh Zayed Road.

In addition to this a Customs Inspection Area, Security office, and Documentation Office has been setup in the CFS facility outside Gate no. 2.

We would therefore request all Jebel Ali Container Terminal 2 users to utilize these facilities.
